FROM THE BOARD:

- Membership continues to increase. We now stand at 264.
- Shane McClelland's membership was reinstated.
- A subcommittee was formed to investigate how to further improve our cash collections and cash flow challenges. They will report their findings next month.
- Wednesday night Chicken Night is going well. Board Behind the Bar was a success.
- Employee Handbook is ready for review. Once approved, it will be distributed to staff.
- Possibility of leasing a P.O.S. system was discussed. Andrea and David will complete the research and bring a recommendation to next month's meeting.
- Banquet business continues to grow. Club Manager will continue to advertise and market the Club's capabilities.
- Golf Pro presented written report. 1, 798 rounds of golf were played in the month of July. Cart revenue increased 21% for the month.
- A subcommittee was formed concerning golf cart replacement.
- Written Entertainment Committee Report was submitted.
- Written Pool Report was submitted. The Board approved to keep the pool open after Labor Day, weather permitting. David and Kristen will be responsible for working out details.
- Discussion was had regarding the splitting of bar and restaurant tickets. The Board agreed to explore the capabilities of the P.O.S. system regarding the split of gratuity. In the meantime, wait staff will be encouraged to bring drink service to the table.
- David will provide a final proofread of the newsletter prior to submission to A & S Printing.

President's Corner ~

A few weeks ago, I had the opportunity of attending a social event at a country club in Kansas City and was given a royal tour by the clubhouse manager. Upon pelleting her with several intimate questions about their club, she was generous enough to share information. Something that got my immediate attention, though, was that their club of 500 memberships hosts between 50 to 60 banquets a month. This is how they keep their club dues and prices down for the membership at large.

Although the Board, with the help of our Club Manager, has begun to recognize this need, I think we need to share with the members that banquet business is imperative to the viability of our club. It's not a matter of losing our club but simply of sharing it. All banquets or special events are required to be member-sponsored. There is no loss of privilege for members. It has often been said that our club is a jewel, a well-kept secret, etc. Hosting events within our community is not only an opportunity to increase revenue but it's also an opportunity to showcase our "jewel" and to potentially create an interest for new memberships.

As members of HCC, please not only embrace this opportunity, but promote it. Please realize we do not, in any way, mean for banquet business to encroach on business as usual for members. We have underused space certain times of the week, so why shouldn't we do what's best for the club and use it? That's what we plan to do with your help.

As a side note, Labor Day doesn't have to mean the end of summer. If we don't want to let summer go, we don't have to. The pool is staying open until the weather shuts us down. The same with golf. We got off to a late start this summer so we're going to finish late, as well.
